
10 Cyber Security Commandments

By [Reza Rafati](#) // [Cyberwarzone.com](#)

–
I shall **not share** my
credentials

—

**I must not click on suspicious
links**

—

I refuse to provide sensitive
data over HTTP

—

**I will verify information via a
second route**

–
I decline to utilize computer
systems **when tired**

—
I will perform security updates on the systems I use

–
I will **read the manual** of the
products and services which I
use

–
I will **configure my systems**
and **services**

—

I will utilize default **security**
solutions

—
In case of a **cyber emergency**
I know who to contact

A hand holding a smartphone against a dark red background. The text is overlaid on the left side of the image.
